

Support our Library

The Cherokee Library is a fundamental part of our student's education.

For just \$20.00 donation, you can purchase a book for our school's library. As a thank you, your name, or your child's name(s), will be printed on a bookplate on the inside cover of the book you donated.

Simply select the grade level book(s) you would like to donate, and how you would like the bookplate to read.

Your support in supplementing the library collection is appreciated!
